Mayor led Council and Consultant, Marvin Marcell in a discussion on this matter. Mr. Marcell answered questions from Council. Currently the Town of Thompsons has a 1% sales tax. The Special election which will be held on May 2, 2026, will give the Town a chance to increase the Town's sales and use tax to two (2) percent, provided the proposition passes. The general election for the positions of Mayor and two Aldermen and the special election for the Town's sales and use tax increase will be conducted by Fort Bend County. On a motion from Gina Treadgold, seconded by Edward Taylor, Ordinance #191 was approved by Council.

The next item on the agenda was a discussion and update on the G.W. Longserre Park Project. The Mayor informed Council that he had received a quote from ACG Apex Consulting Group, Inc. Engineering & Construction in the amount of \$19,000.00 to finish the walking trail that has not been completed due to the company working on it filing bankruptcy. Since ACG Apex Consulting Group, Inc. Engineering & Construction is working on the pavilion, they would be able to finish the walking trail. There are some minor items that need to be addressed, such as the drainage pipe taken out under the Walking Trail and the culvert at the gate to Jerry Road being left in its present condition. These items will make the quote change slightly. ACG Apex Consulting Group, Inc. Engineering & Construction will provide a new quote.

The construction of the pavilion is the other project at the G.W. Longserre Park. Councilman Taylor stated that the floor of the pavilion has been poured. The current schedule of competition is on schedule for May 2026.

Mayor led Council in a discussion concerning the 2026-2027 Budget. Mayor stated that the CPA will begin work on the budget. If the Fire Department and Council are aware of necessary items to be purchased, please let the Mayor know so that the items can be inserted into the new budget.
