WHEREAS, the Town desires to enter into this new industrial district agreement with the Company pursuant to Ordinance No. 94, dated the 15th day of October, 1998, renewing and extending the present industrial district agreement on the terms and conditions provided for herein;

Section 1. Thompsons hereby covenants, agrees and guarantees that all the land, property and improvements thereon owned, used, occupied, leased, rented or possessed by the Company within the area designated as Thompsons Industrial District No. 1 shall continue and retain (as to all of the above) its extraterritorial status as an industrial district and it (all of the

above) shall not be annexed by the Town nor shall the Town attempt to annex, or in any way cause or permit to be annexed any of such property during the term of this Agreement.

The Town further covenants, agrees and guarantees that during the term of this Agreement the Town shall not apply or purport to apply any charter provision, ordinance, by-law, rule or regulation to such property, including, without limitation, any charter provision, ordinance, by-law, rule or regulation: (a) governing plats and the subdivision of land; (b) prescribing any zoning, building, electrical, plumbing or inspection code or codes; (c) governing drilling for, producing, gathering, storing, or transporting liquid, solid or gaseous hydrocarbon materials; or (d) attempting to exercise in any manner whatsoever control over the conduct of the Company's or its assigns' business thereon. The Town further agrees that during the terms of this Agreement, the Town shall not levy or purport to levy any taxes or assessments, against any real, personal or mixed property owned, used, occupied, leased, rented, or possesses by the Company or any of its affiliates within Thompsons Industrial District No. 1.

Section 2. Except as otherwise agreed by the parties in writing, during the term of this Agreement the Town shall not be required to furnish municipal services to the Company's properties within the area designated as Thompsons Industrial District No. 1 which are ordinarily and customarily supplied by the Town to property owners within its boundaries, including, without limitation, sewer or water service, police protection, road or street repairs, or garbage pickup service; provided, however, the Town shall continue to furnish such fire fighting services to the area as are ordinarily and customarily supplied by the Town to property owners within its county designated fire district boundaries.

(b) Should the Town levy or purport to levy any tax or assessment against any real, personal or mixed property owned, used, occupied, leased, rented or possessed by the Company or any of its affiliated within the area described in Appendix A attached hereto and incorporated herein for all purposes, any annual industrial district payment due hereunder shall be reduced by an amount equal to such tax or assessment.

Section 4. This Agreement is effective as of January 1, 1999 and shall continue in effect thereafter until December 31, 2005, unless extended by agreement in writing for an additional period or periods of time upon mutual consent of the Town and the Company as allowed by Section 42.044 of the Texas Local Government Code as it may be then amended. In this connection, the Town and the Company acknowledge and hereby express their belief that industrial district agreements of the kind made herein are conducive to the development of existing and future industry and are in the best interest of all citizens of the Town and the Company and encourage future Boards of Aldermen, upon request of the Company or its assigns, to enter into future industrial district agreements and to extend for additional periods as permitted by law this

Agreement under such terms and provisions as may be then agreed upon by the parties; provided, however, that nothing herein contained shall be deemed to obligate either party hereto to agree to an extension of this Agreement.

Section 5. All payments to the Town provided for herein shall be made to the Town at the City Hall in Thompsons, Fort Bend County, Texas, by regular mail, postage prepaid, on or before the due date.

Section 6. Notwithstanding any provision of this Agreement to the contrary, if during the term of the Agreement, (a) any other municipality should institute proceedings under applicable local, state or federal statutes, rule or regulations to annex any land or property owned, used, occupied, leased, rented or possessed by the Company or any of its affiliates within the area designated as Thompsons Industrial District No. 1, or (b) the creation of any new municipality should be attempted under applicable local, state or federal statutes, rules or regulations so as to include within its limits such land or property, or (c) any other municipality should institute proceedings under applicable local, state or federal statutes, rules or regulations to include within its extraterritorial jurisdiction such land or property, or (d) any person, corporation or other entity should institute legal or administrative proceedings, including, without limitation, proceedings under applicable local, state or federal statutes, rules or regulations to set aside or otherwise abrogate this Agreement, the Town shall, with the cooperation of the Company and attorneys employed or retained by the Company, seek injunctive relief against any such annexation, incorporation, extension or challenge, and shall take such other legal steps as may be necessary or advisable under the circumstances; provided, however, that nothing herein shall obligate the Company to seek injunctive relief or take any other legal steps if such annexation, incorporation,

extension or challenge is in the best interest of the Company's ratepayers. Until judgment setting aside such annexation, incorporation, extension or challenge becomes final beyond further appeal, the Company may, at its option, suspend its annual industrial district payment obligations hereunder; provided, however, should the Company elect to suspend payments shall thereafter bear interest at the prime rate announced from time to time by Texas Commerce Bank, N.A., Houston, Texas, as it changes, until paid; provided, further, the interest on such suspended payments shall be payable to the Town quarterly. At such time as judgment setting aside such annexation, incorporation, extension or challenge becomes final beyond further appeal, the Company shall (a) resume making its annual industrial district payments as provided herein and (b) pay to Town any payments suspended pursuant to this Section. Should the Town refuse or fail to comply with its obligations under this Section, the Company shall have the right to seek such legal or equitable relief as it deems necessary or advisable in its own name or in the name of the Town and, if necessary, the Company may join the Town as a party to such legal action.

If the Town and the Company are unsuccessful in preventing any such annexation, incorporation, , extension or challenge, the Company shall have the right to (a) terminate this Agreement in whole or in part, or (b) continue this Agreement in full force and effect; provided, however, that the Company's right to terminate this Agreement must be exercised within six (6) months after judgment upholding such annexation, incorporation, extension or challenge becomes final beyond further appeal; provided, further, in the event of such termination the Town shall have no obligation to refund any industrial district payment previously paid and this Agreement shall become void and cease and all parties hereto shall be fully released and acquitted.

Section 7. The benefits accruing to the Company under this Agreement shall also

extend to the Company's "affiliates" and to any properties, real, personal or mixed, owned, used, occupied, leased, rented or possessed by said affiliates within the area designated at Thompsons Industrial District No. 1, and where reference is made herein to land, property and improvements owned, used, occupied, leased, rented or possessed by the Company it shall also include land, property and improvements owned, used, occupied, leased, rented or possessed by its affiliates. The word "affiliates" as used herein shall mean (a) any corporation five percent (5%) or more of the voting securities of which is owned or controlled, directly or indirectly, by any person or corporation that owns or controls, directly or indirectly, five percent (5%) or more of the voting securities of the Company and (b) any corporation five percent (5%) or more of the voting securities of which is owned or controlled, directly or indirectly, by the Company. Any reference in this Agreement to any "land" or "improvements" or "property" of the Company shall mean all land and all other real, personal, or mixed property located thereon now owned, used, occupied, leased, rented or possessed by the Company or any affiliate of the Company within Thompsons Industrial District No. 1, and all land and other real, personal or mixed property located thereon hereafter owned, used, occupied, leased, rented or possessed by the Company or any affiliate of the Company within Thompsons Industrial District No. 1.

Section 8. This Agreement shall inure to the benefit of and be binding upon the Company and the Town, and each of them, and upon their respective successors and assigns, and shall remain in force whether the Company sells, assigns or in any other manner disposes of, either voluntarily or by operation of law, all or any part of the property belonging to it within the territory hereinabove described, provided no disposal by Company, however accomplished, shall relieve Company or any prior breach of the terms and conditions hereof and any subsequent owner

deriving any right, title or interest therein shall be required to fully assume all of the Company's obligations hereunder, and the agreements herein contained shall be held to be covenants running with the land owned by the Company situated within said territory, for so long as this Agreement or any extension thereof remains in force.

Section 9. If during the term of this Agreement the terms and conditions of this Agreement are rendered ineffective or their effect changed by statutory or regulatory changes (including, without limitation, legislative, administrative or judicial changes, interpretations or reinterpretations, whether involving HL&P's participation or not) both parties mutually agree that said Agreement shall be renegotiated to accomplish the intent of this Agreement.

Section 10. In the event the Town enters into an industrial district agreement or renews any industrial district agreement after the effective date hereof and while this Agreement is in effect, which contains terms and conditions materially more favorable than those contained in the Agreement, the Company and its assigns shall have the right to amend this Agreement and the Town agrees to amend same to embrace the more favorable terms of such agreement or renewal agreement.

PETITION REQUESTING EXTENSION AND EXPANSION
OF EXTRATERRITORIAL JURISDICTION

TO THE HONORABLE MAYOR AND THE BOARD OF ALDERMEN OF THE TOWN
OF THOMPSONS, TEXAS:

The undersigned owner (herein the "Petitioner"), owner of all of the territory described in Exhibit "A" attached hereto and incorporated herein for all purposes (the "Territory"), hereby petitions and requests the Town of Thompsons, Texas, (the "Town"), to extend and expand the Town's extraterritorial jurisdiction to include all the Territory, and would show the following:

I.

Petitioner is the owner of title to all of the land within the Territory.

II.

The Territory is wholly contiguous to the existing extraterritorial jurisdiction of the Town.

III.

Petitioner believes that none of the Territory is located within any other city's existing extraterritorial jurisdiction or city limits; however, if Petitioner is incorrect, Petitioner requests that the boundaries of the Territory be revised and reformed so that none of the Territory to be included within the Town's extraterritorial jurisdiction shall be located within any other city's existing extraterritorial jurisdiction or city limits.

IV.

If any portion of this Petition is invalid or unenforceable for any reason, including but not limited to because parts of the Territory are ineligible for inclusion in the extraterritorial jurisdiction of the Town, such invalidity or unenforceability shall not affect any other provision hereof or any part of the Territory which is eligible for inclusion in the extraterritorial jurisdiction of the Town, and this Petition shall be construed as if such invalid or unenforceable provision had never been contained herein.

V.

This Petition and request is made pursuant to the provisions of the Texas Local Government Code, §42.022(b).

VI.

Petitioner believes that it will be in the best interest of Petitioner, the Territory, and the Town if the Town extends and expands its extraterritorial jurisdiction to include all of the Territory.

VII.

If this Petition is challenged prior to action being taken thereon by the Town, Petitioner agrees to either: (a) pay or reimburse the Town for all costs, including legal expenses, incurred by it in addressing such challenge or; (b) withdraw the Petition. If the ordinance requested by the Petition to extend the Town's extraterritorial jurisdiction to include the Territory is adopted by the Town, and thereafter such ordinance is challenged in whole or in part, Petitioner agrees to either: (a) pay or reimburse the Town for all costs, including legal expenses, incurred by it in defending the ordinance against such challenge, or; (b) give written notice to the Town that Petitioner does not desire to pay such expenses in which case Town may revoke the ordinance or take such other action as is necessary to release the Territory or portion thereof being challenged from the Town's extraterritorial jurisdiction.

WHEREFORE, Petitioner prays that this petition be heard and that the Town of Thompsons, Texas duly pass and adopt an ordinance extending and expanding the Town's extraterritorial jurisdiction to include all of the Territory described in Exhibit "A" hereto.

RESPECTFULLY EXECUTED on the respective dates appearing hereinafter opposite the name and signature of the Petitioner.
